

GEM AWARD FOR THE MONTH OF OCTOBER 2004

ANIL GOGIA

Anil is a part of Churchill India assignment since 5th July 2004.

Anil is very hard working and has developed very good rapport with the client in a very short time. During this period he has shown an exceptional grasp of customer's expectations and requirements. His knowledge and understanding of web technologies is commendable.

Anil is a diligent team player who understands his responsibility clearly and is never afraid to experiment and test out new ideas. He can always be relied upon to find the cause of a potential problem and suggest its solution. If the project requirements demand that he stay back after office hours, he has never hesitated and has the ability to handle problems independently. Currently he is handling around 5 critical application support at Churchill India.

His hard work is an example for fellow team members to emulate. He was able to overcome problems like machine unavailability and quick nature of troubleshooting. He has always delivered the goods in time and with exceptional quality.

Anil is an amicable personality who works well in a team. He shares knowledge and ideas and fully deserves the GEM Award for October 2004.

Congratulations !!

Ashok Gaur (Vice President)
